

## **Circet Group Acquires PS Networks to Strengthen its Data Center Services Offering**

**Dublin, Paris, London – July 11, 2024 – Circet**, Europe’s leading telecommunications network service provider, announces the acquisition of PS Networks, a leading data center specialist in the EMEA region – focusing on Design, Power, Infrastructure Cabling, Cooling and Smart Hands within the data center sector.

This strategic acquisition marks a significant milestone for Circet as it continues to expand its footprint and capabilities in the rapidly growing data center market. By integrating PS Networks’ expertise and innovating solutions, Circet will enhance its service offerings.

Circet and PS Networks will join forces to offer a wider range of services, boost their technical expertise, and expand their market reach, to deliver superior performance and reliability for their partners.

**Circet’s Deputy CEO, Donagh Kelly**, stated, *"We are thrilled to welcome PS Networks into the Circet team and support their next phase of growth. This acquisition represents a strategic move to enhance our service capabilities."*

**PS Networks’ CEO, Pauric Sheridan**, added, *"Joining forces with Circet is a tremendous opportunity for PS Networks to grow and achieve new levels of success. We are excited about the possibilities this partnership brings and look forward to contributing to Circet’s vision of delivering top-tier telecommunications and data center solutions."*

### **About PS Networks**
